

RCLC Subcommittee Summaries

1. Land Acquisition

The Land Acquisition Committee plans, researches and negotiates potential new acquisitions of land and conservation easements; and conducts all due diligence and grant writing associated with new acquisitions.

2. Stewardship

The Stewardship Committee coordinates management of all RCLC properties, including the monitoring of conservation easements.

3. Fundraising/Outreach

The Fundraising/Outreach Committee develops all outreach and fundraising materials and publications; and conducts events for the public and RCLC donors and supporters. This committee also manages RCLC's web site and database.

4. Finance

The Finance Committee oversees RCLC's fiscal management and budgeting, audit and insurance.

5. Environmental and Cultural Outreach Committee

The Environmental and Cultural Outreach Committee works in partnership with community nonprofits and local tribes to provide environmental and cultural outreach activities and events for K-12 students and their families.
